

ABOUT THE UNIVERSITY

Gandhi institute of technology and management , popularly known as GITAM University , established u/s 3 of the UGC Act , 1956 , is one of india's leading universities having 32 years of track record in teaching and research of global standards . The university is located in three picturesque campuses at Visakhapatnam, Hyderabad and Bengalaru. With a multi disciplinary approach , the university is offering 115 programs at UG , PG and doctoral levels in technology , Science , pharmacy , Management , International Business , Architecture and Law.

The Ministry of Human Resource Development, Govt. Of India ranked GITAM as 'A' Category University among the universities of its kind. Recognizing the holistic education that the University is imparting, the National Assessment and Accreditation Council (NAAC) has accredited the university with 'A' grade. GITAM is one of the few deemed universities that has been accorded 12-B status by the university Grants Commission facilitating research.

ABOUT THE SOCIETY:

Formed in 1965, the CSI has been instrumental in guiding the Indian IT industry down the right path since its formative years. Today, the CSI has 70 chapters all over India, 418 student branches, and more than 90000 members including India's most famous IT industry leaders, brilliant scientists and dedicated academicians. Keeping in mind the interest of the Students, the CSI student branch, GITAM Institute of Technology works towards, making the student an area of choice amongst all sections of the Information Technology. To promote and encourage the student's ideas and organizational skills is the top priority of CSI student branch today. To fulfill this objective, the CSI, student branch regularly organizes Seminars, lectures, workshops and gives various awards. And at the same time it also ensures that regular training and skill updating for the IT students. Various events are organized under Computer Society of India, student branch for the academic year 2012-13 by IT and CSE departments. Our CSI student branch also works towards, by seeking out external participants who may be willing to come forward and participate in such activities.

INAUGURAL FUNCTION 2012-2013

The Annual Inaugural event of the Computer Society of India [CSI] India's largest professional study group - GITAM University Chapter was held in the presence of eminent academicians. Dr. D. Prasad Rao, Principal, GIT, GITAM University and Prof. P.V Lakshmi, Head of the Department IT presided over function as **Prof. DVLN Somayajulu**, Dept of Computer Science and Engineering, NIT Warangal, graced the occasion as the Chief Guest.

The meet started with the Prayer which was followed by lighting of the lamp. Prof P.V Lakshmi, Student Coordinator of CSI & HOD of IT, has given a brief report of events conducted in the last year and how they helped students in nurturing themselves towards knowledgeable society. Dr.D Prasad Rao, Principal, GIT, GITAM University, spoke about CSI and how it would help student in acquiring knowledge that is not available in classroom teaching and text books and also insisted the student members to explore their knowledge by means of seminars and guest lectures. Mr.K Chitanya, President of CSI Student Chapter has given the Annual Report by briefly explaining the various events conducted in year 2011-12 and also about the Future Plans, the events to be conducted in the year 2012-13. The various events proposed include various Workshops, Seminars and events like TechWeek which include Group Discussions, Quizzes Presentations and other events with a goal to enhance the skills of the fellow CSI members. Dr.DVLN Somayajulu, Chief Guest of the function was felicitated and he has given a lecture on how CSI help students and bring change in their career. He also shared his experiences and gave students various other tips and made them know the advantage about NPTEL, importance of IBM's TGMC contest, KDD Cup, Big Data Analytic International Conference that is going to be held at Delhi in December.

The vote of thanks to all the dignitaries, management, supporting members and student members was delivered and the meet was concluded after the National Anthem.
